2013 MOUNT VEEDER CABERNET SAUVIGNON

Inaugural vintage.

For the past 14 years, we've been successfully working with a wonderful little Cabernet Sauvignon vineyard on Mt Veeder, surrounded by bay-laurel forests. We decided to capture its unique essence by bottling it separately to enjoy its intoxicating aroma.

The personality of this Mt Veeder vineyard receives contributions from its adjacent forests that complement the cherry aromas with a touch of menthol. The full middle is balanced by gentle tannin and mouthwatering acidity, resolving in a lingering finish.

This offering is a beautiful example of one of the most successful Cabernets born in high elevation.
